FOR IMMEDIATE RELEASE:

Dolly Pearl featuring Daddy Black: CADO

New Jersey, USA, 05/14/2018: The world is about to listen to one of **Dolly Pearl's** hottest song's to date called "**CADO**". *Dolly Pearl*, an Afrobeat artist from Bamenda, Cameroon is one to look out for. His last song "**Sorry Sorry**" featuring the legendary **Richard Kings** and produced by one of Cameroon's finest producers – CFX, was well received with very good reviews from some of Cameroon's top entertainment/music blogs and sites as well as Radio DJ's and Media Personalities.

"**CADO**" is derived from the French word *Cadeau* which means 'gift'. It is a flirty and catchy song with Dolly Pearl displaying his love to his ladies and wants to give them CADO. The song which shows off some cool instrumental sounds and beats was produced by **Moulah**, with rhythmic guitars played by **Simplice** and bass guitar played by **CFX**. This song leaves nothing untouched as additional production was done by **DJ Cliff** and additional back vocals was done by **Blue Jay Kings**.

"I feel special and excited about this particular song and the video – CADO. The energy that surrounds both the song and video is positively great." Dolly Pearl

There is no doubt that CADO which also features **Daddy Black** will hit the music scene with a bang while keeping Dolly Pearl's fans fascinated by the beautiful visuals of its video which was directed by **Yonka**. The song which was mix and mastered by **Mr. Melody** is aimed at appealing to Cameroonians and Africans as everyone can relate to falling in love or loving that special person. Dolly Pearl who was styled by **Wizklif Designs** shows his love of African fashion with the generous use of bold colorful African Prints which is eye catching.

CADO is now playing on several popular TV Channels such as; **Canal 2, Boom TV, Hip Hop TV, Playlist** and **LTM** to name a few.

Watch, SHARE and enjoy the video. 😊
